Address of Welcome

HIS WORSHIP THE MAYOR OF CALGARY.

My Friends:

This is a great day for all of us. For you it is the end of a long, hard journey into hardships and dangers that no one can fully comprehend who has not faced them and suffered with you. For us at home, your families and your friends, it is the end of an eternity of waiting, filled with anxieties and fears.

We wait with all our hearts that all our boys were here, all of you who left us to fight for your right, and our right, to live as free men in a free world. In the achievement of that victory you have played a noble part. Your record, through long and arduous campaigning, is a glorious one. We are proud of you.

But it is more than pride we feel now. With you have gone the hope and courage of thousands among us. We have waited long and faithfully for the day of reunion. With grateful hearts we say "Welcome home!"

Mayor

Message of Lt.-Col. Rogers

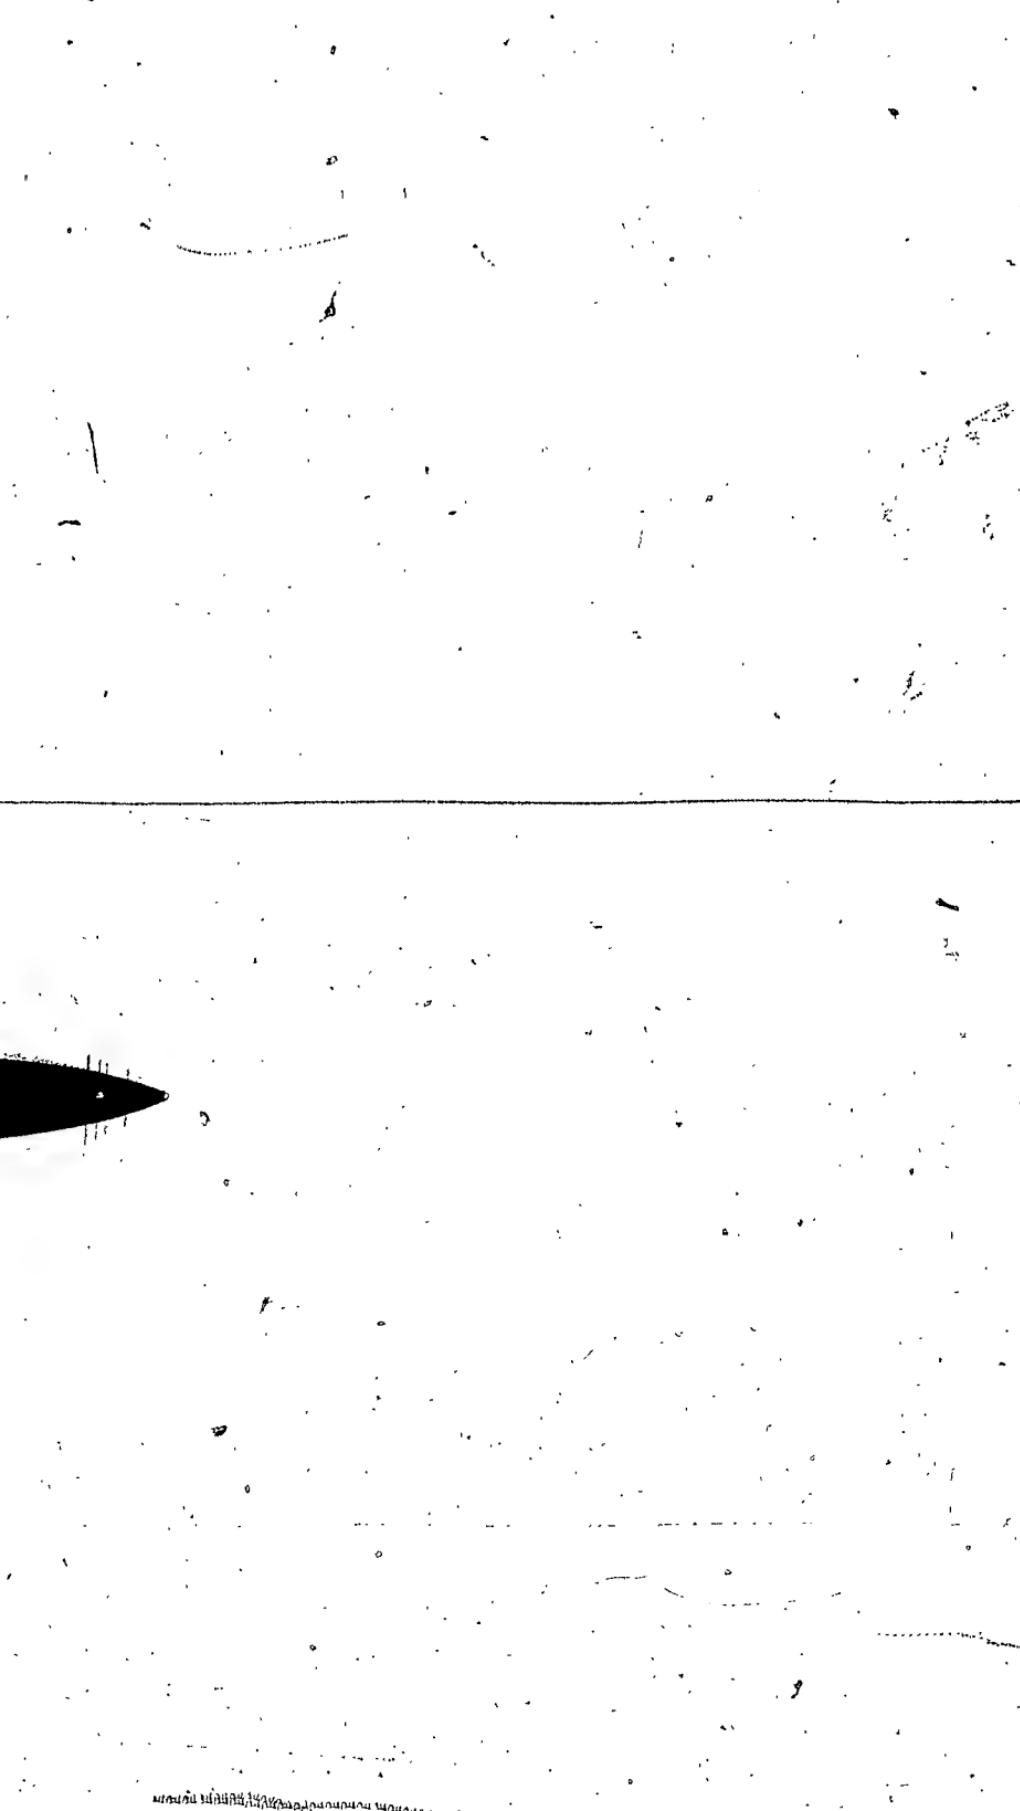

The Officer Commanding,
Officers, W.O.'s, N.C.O.'s and Men,
14th Cdn. Armoured Regt. (Calgary Regt.)

On the occasion of the return to Calgary of the Regiment it is the desire of all ranks of the Reserve Battalion to extend to you a welcome home.

During the more than four years since you left Calgary you have always upheld the traditions of the Regiment. First, at Dieppe, and then in Sicily and Italy, and finally in North-West Europe, your actions have, unfailingly, been a continuous repetition of our motto, "Onward".

On the long and hard road which you have travelled you have been followed with pride, not only by we of the Reserve Unit, but by all the Citizens of Calgary and the Districts from which the Regiment was recruited, and now that you have arrived at the end of the journey we wish you all the best of luck and Godspeed in your return to civil life.

D. F. ROGERS, Lt.-Col.,
Commanding,
14th (R.) Army Tank Regt. (Calgary Regt.)

Welcome Home

**Brigadier F. M. W. Harvey, V.C., M.C., District Officer
Commanding M.D. 13.**

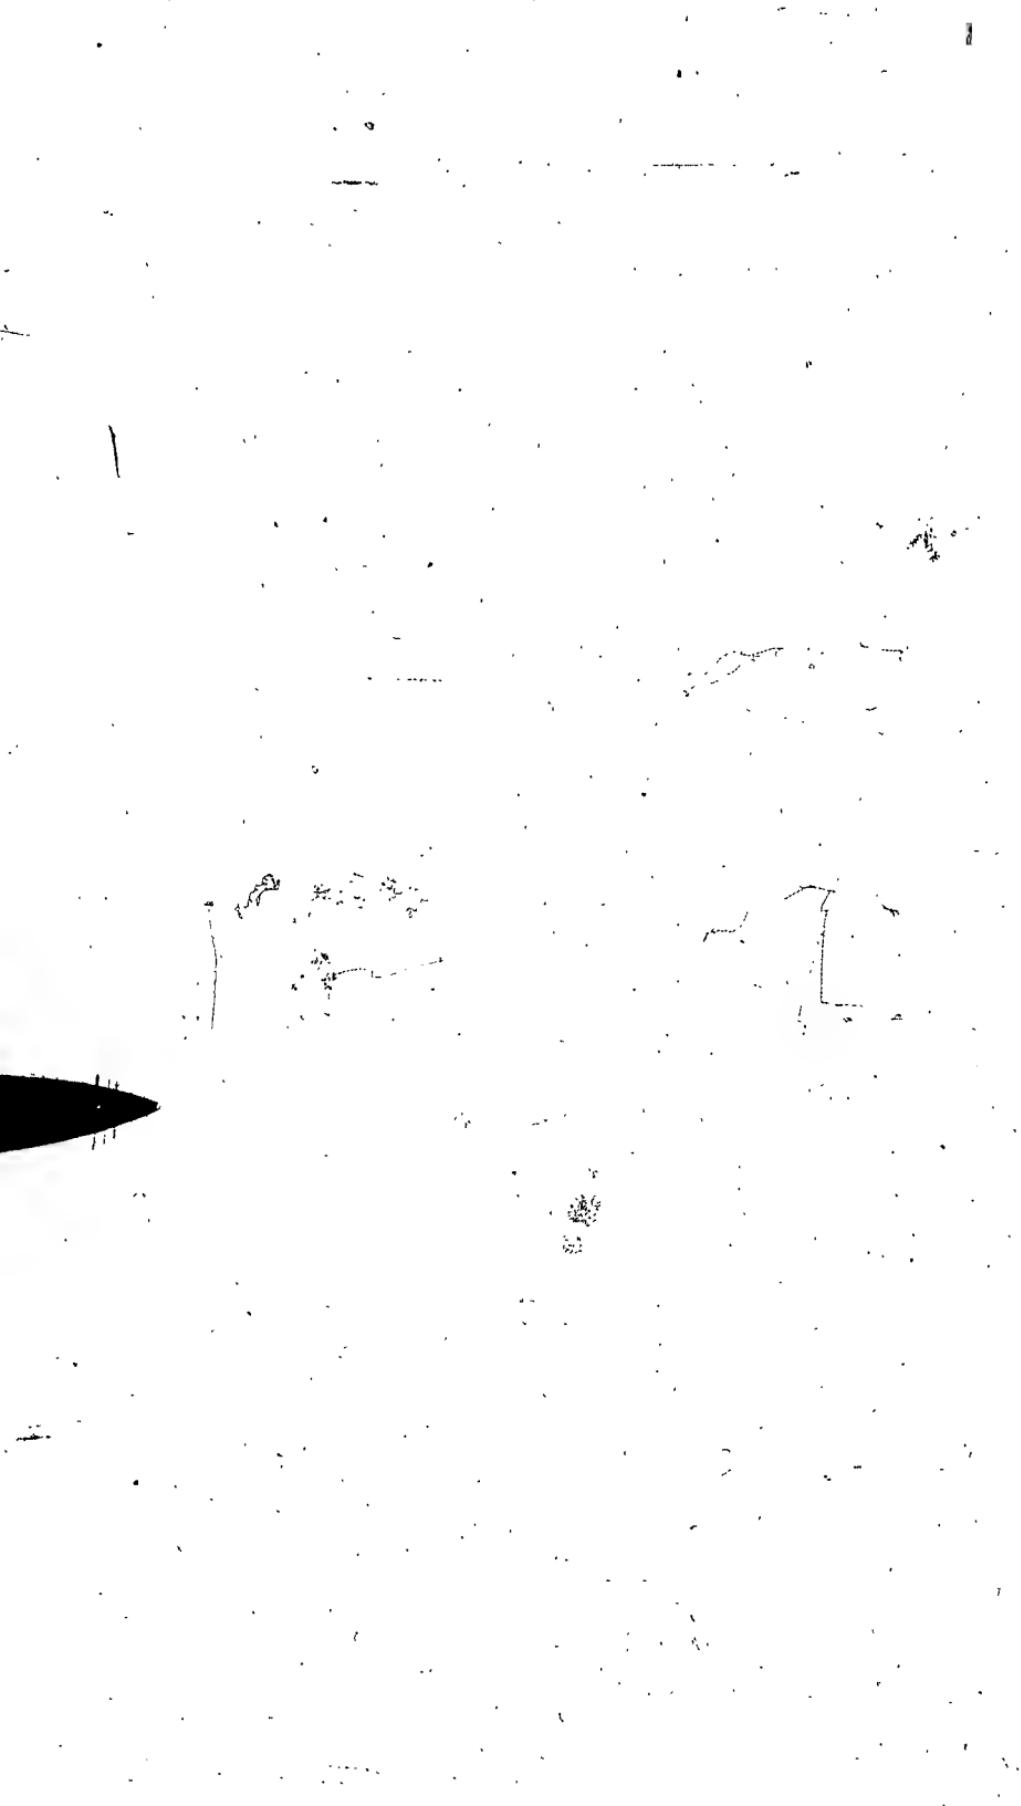

I had the privilege of seeing most of you start on your army career, and it used to make me feel proud then to be a brother-in-arms with you and a fellow Albertan. When you went overseas, I, as well as all who knew you, felt sure that you would uphold the fine traditions handed down to you, we were more than right - you did, both during the long days of anxious waiting in England and on the battlefields of Sicily, Italy and North-West Europe.

Now you are home, do not expect to be welcomed by a cheering mob and swamped with ticker tape and confetti that is not our way in Alberta, but our welcome is wholehearted and we thank God that you have been spared to come home, and we are very, very proud of you.

This day will long remain in your memory - a day you, and we, have looked forward to for some considerable time.

Each and everyone of you has contributed to the Allied victory, and that is something no one can take away from you, and of which you can be very proud. Your unit, through your sacrifice, has won new battle honors, a record of effort on your part that will be forever enshrined in the military history of Canada.

Your country, your families and friends welcome you home with pride and thankfulness, and we of the army in Canada who had to stay at home wish you the same success in the future that you, as part of the Canadian Army overseas, have achieved.

History

CALGARY REGIMENT (TANK)

Glorious history from Dieppe until VE-Day was written into Canada's war history by one of Calgary's own fighting units, the 14th Armoured Regiment (The Calgary Regiment) of the Canadian Armoured Corps.

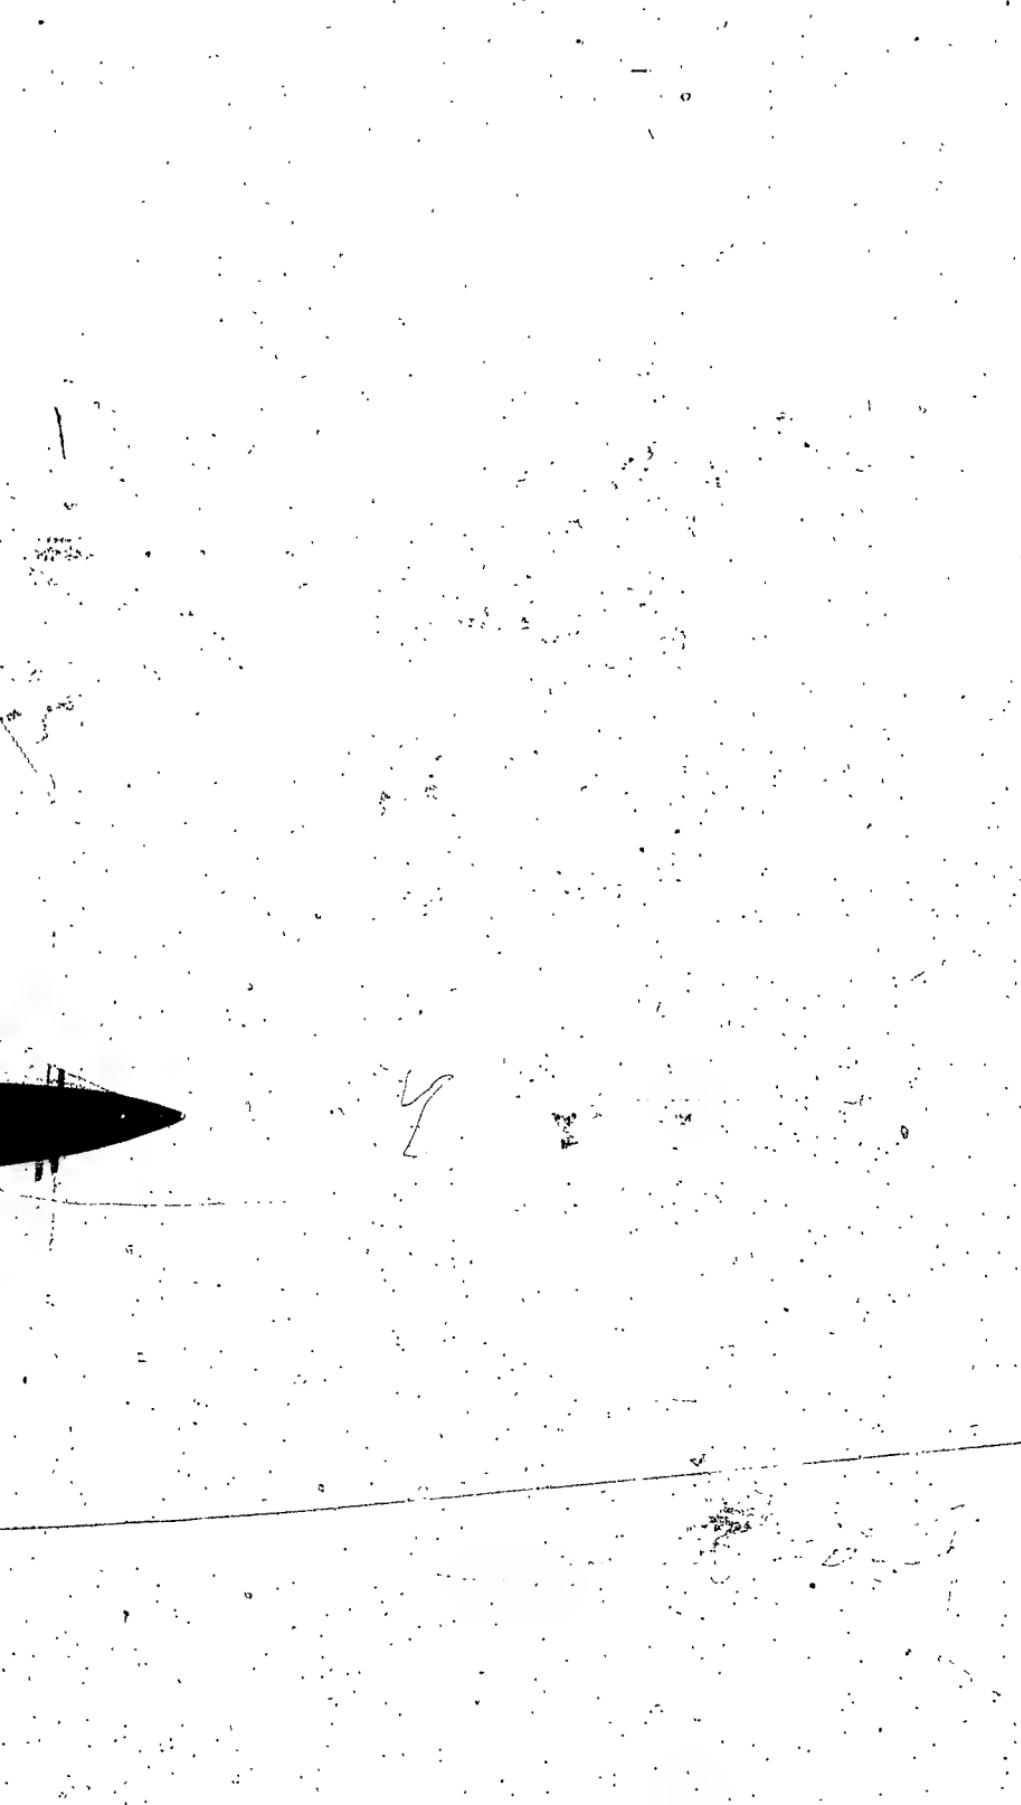

Authorized after the First World War to succeed the 103rd Regiment (Calgary Rifles) and to perpetuate the 50th Battalion, C.E.F., which won battle honors at Ypres, Festubert, Ancre, Arras, Vimy, Passchendaele, Amiens, Drocourt-Quient, Canal du Nord and Valenciennes, the Calgary Regiment made history at Dieppe, during the Sicilian and Italian invasions, and through the Netherlands in the North-West Europe campaign until the Rhine was crossed.

Now designated as The Calgary Regiment (Tank) (14th Armoured Regiment) the unit was stationed in Calgary in the early years of war. It moved on to Camp Borden early in 1941, leaving Canada aboard the Pasteur on June 21st, 1941.

At Dieppe—Battle of the Canadians—squadrons of The Tanks first saw action and three members of the unit were decorated for gallantry on the bloody beach-head.

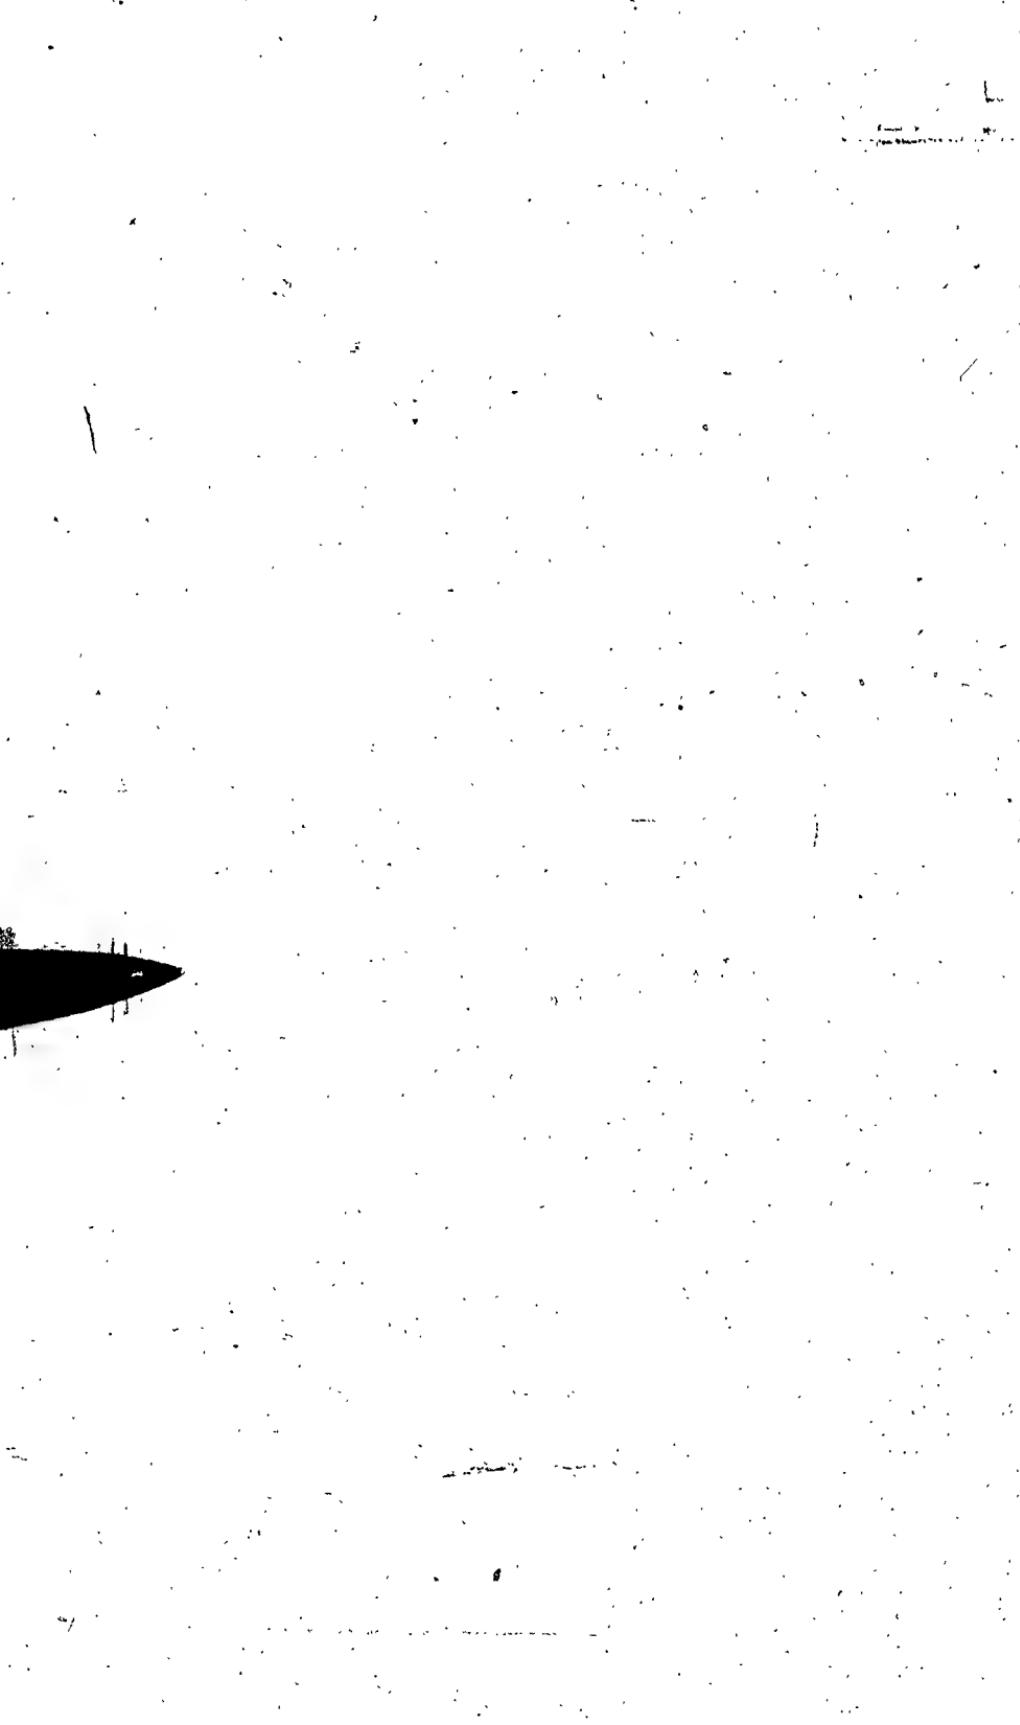

The unit went into action as such with the start of the Sicilian campaign in July, 1943, and in September moved onward to Italy to play an important part in such encounters as the Moro River, Ortona, Arielli front, the Liri Valley, the Trasimeno Line and the Arno River, the Gothic Line and the battle for the Lombardy Plain. Then in March, 1945, they were moved into the Netherlands, adding their weight to the brilliant final assault on Hitler's Fortress Europe.

Throughout the war honors have been heaped upon the Regiment and many of its men decorated for gallantry in action. Lt.-Col. John Begg, who led the squadrons at Dieppe as officer commanding after Lt.-Col. Andrews was killed during the landing, and Lt.-Col. C. A. "Stoney" Richardson, who was in command through much of the Italian Campaign and in North-West Europe and who is bringing the Regiment home, both received the Distinguished Service Order.
